Verse 1

God didn't create us for anything
He created us to worship him
All the Praise Glory and Honour
Goes to our heavenly king

I don't know what you're desire may be
But I know mine is to worship him (2x)

He Created us to worship him
Bow down and give him praise
Live a life that's holy
And our hands we'll raise
To declare his mighty works
Forever he is grateful
Merciful compassionate
He created us to worship him

God sent his son to die on the cross
For everybody including us
Everywhere we go we should witness
To the unsaved people out there

I don't know what you're desire may be
But I know mine is to worship him (2x)

He Created us to worship him
Bow down and give him praise
Live a life that's holy
And our hands we'll raise
To declare his mighty works
Forever he is grateful
Merciful compassionate
He created us to worship him

He Created us to worship Him

He Created us to worship him
Bow down and give him praise
Live a life that's holy
And our hands we'll raise
To declare his mighty works

Forever he is grateful
Merciful compassionate
He created us to worship him

He Created us to worship him
Bow down and give him praise
Live a life that's holy
And our hands we'll raise
To declare his mighty works
Forever he is grateful
Merciful compassionate
He created us to worship him
