#### Verse 1

I can't remember the first time you came into my life  
But I know your Holy Spirit is living in me  
I can't remember the first touch of you upon my life  
But I know you're continuously touching me (in many ways)

#### Lord I need

More of your power everyday  
More of your love in every way  
More of your touches, don't let them fade away  
So Here I am

#### Chorus

All I want is to be closer drawn to you  
Every step I take I want it to be ordered by you

#### Verse 2

I can't remember the first time Oh Lord you delivered me  
But I know my enemies don't triumph over me (not anymore)  
I can't remember the first time I experienced your hands of mercy  
But I know your love keeps pouring out on me (yeah ooohh)

#### Lord I need

More of your power everyday  
More of your love in every way  
More of your touches, don't let them fade away  
So Here I am

#### Chorus

All I want is to be closer drawn to you  
Every step I take I want it to be ordered by you  
Here I am Lord use me in all different angles  
I am your child, your son, all yours, So Use me Lord  
So Here I am

#### Bridge

It's not about my past  
It's not about the things I used to do before  
I am a new creation  
So Here I am

Chorus

All I want is to be closer drawn to you  
Every step I take I want it to be ordered by you

All I want is to be closer drawn to you  
Every step I take I want it to be ordered by you

Here I am Lord use me in all different angles  
I am your child, your son, all yours, So Use me Lord

Here I am Lord use me in all different angles  
I am your child, your son, all yours, So Use me Lord  
So Here I am
