Jesus died on the cross for me  
Jesus died and set me free  
He paid the price for me  
I Love Him  
He Gave me breath of life  
He woke me up this morning  
I'm alive because of him  
I Love Him

Thank you Lord for strength  
Thank you Lord for wisdom  
Thank you Lord for your words

Chorus  
He's the reason why I am living  
The reason why I'm singing  
The reason why I'm alive  
He's The Reason  
He's the reason why I'm talking  
Walking, moving and dancing  
He's The Reason why I'm living  
He's The Reason

They pierced the nails through his hands  
They placed the thorns upon his head  
He suffered and died for us  
I love Him  
For this I'll give him praise  
For this I'll exalt his name  
For this I will always Praise Him  
I Love Him

Thank you Lord for understanding  
Thank you Lord for dying  
For me

Chorus  
He's the reason why I am living  
The reason why I'm singing  
The reason why I'm alive  
He's The Reason  
He's the reason why I'm talking

Walking, moving and dancing  
He's The Reason why I'm living  
He's The Reason

Bridge

Your wonderful, glorious, holy and righteous  
Victorious conqueror triumphant and mighty  
He's so wonderful  
I can see I can hear I can read I can write  
Because of you  
He's the reason why

Chorus

He's the reason why I am living  
The reason why I'm singing  
The reason why I'm alive  
He's The Reason  
He's the reason why I'm talking  
Walking, moving and dancing  
He's The Reason why I'm living  
He's The Reason

He's the reason why I am living  
The reason why I'm singing  
The reason why I'm alive  
He's The Reason
