### Verse 1

I met this girl, not too long  
She'd call me and I'd sing her a song  
But then she would put off the phone  
And tell me that she's going to bed  
We confirmed our love we'd talk sweet talk  
We'd talk and we'd talk until our battery died  
But presently I feel she's straying from me  
I don't know what is going on

### Chorus

I Wanna Know what is going On  
I Wanna Know what it is I did wrong  
The way you've been acting lately  
It's getting to me  
I Wanna Know what is going On  
With you

### Verse 2

There she goes again when I called  
She tells me that she needs to charge  
Her battery then she said to me  
She's sorry but I don't think she means it  
Every time I ask, what is wrong  
She starts singing the Justin Bieber Song  
I feel confused, like I was being used  
And now I need new battery

### Chorus

I Wanna Know what is going On  
I Wanna Know what it is I did wrong  
The way you've been acting lately  
It's getting to me  
I Wanna Know what is going On  
With you

### Bridge

If you wanna leave me just tell me that  
If you want us to be apart  
Just tell me baby or should I call you by your name  
Cause I need to know  
What is going On

I feel like something is wrong  
You said I'm your man  
So talk to me  
Listen  
Don't! Keep! It!  
A secret

Chorus  
I Wanna Know what is going On  
I Wanna Know what it is I did wrong  
The way you've been acting lately  
It's getting to me  
I Wanna Know what is going On  
With you

I Wanna Know what is going On  
I Wanna Know what it is I did wrong  
The way you've been acting lately  
It's getting to me  
I Wanna Know what is going On  
With you
