Verse 1

The things you did on Calvary
Proved that you really love me (love me)
Knowing that you died for me
Proved that you won't give up on me
Though I'm not where I'm supposed to be
Yet you had mercy on me (on me)
Though I'm doing things I'm not to do
You show to me the things I should do

Your love, your grace, your mercy
I'm so grateful (Grateful)
So many things you did for me
I just need to worship

Chorus

Forget about my past
Concentrate on you
Lord I will worship (worship you)
Discern right from wrong
Lord I'll sing my song
Lord I will worship (worship you)
You've been good to me
Yes you set me free
Lord I will worship (worship you)
I'll give you all the praise
To you my hands will raise
Lord I will worship you

Verse 2

So many times Lord I've been tried
And you showed me the way (way)
So many times Lord I've been down
And you picked me up and turn me around
Though I did not take correction
You did not give up on me (me)
Though my life was upside down
You made me what I oughta be

Your love, your grace, your mercy
I'm so grateful (grateful)

So many things you did for me
I just need to worship you
I said Your love, your grace, your mercy
I'm so grateful
So many things you did for me
I just need to worship

Chorus
Forget about my past
Concentrate on you
Lord I will worship (worship you)
Discern right from wrong
Lord I'll sing my song
Lord I will worship (worship you)
You've been good to me
Yes you set me free
Lord I will worship (worship you)
I'll give you all the praise
To you my hands will raise
Lord I will worship you
