Lord How I Love You
Lord I'll Give You Praise For what
You have done for me
My Jesus My Saviour

You are my deliverer
You are my healer
You're the one who died for me
Way back on calvary
That's why
I'll give you praise
You forgave me for my sins Lord
I'll forever bow down and worship you

I'll give you praise Lord
I'll magnify your name
You're the one who died for me
Way back on calvary
And I will give you praise Lord
Forever I will worship you and tell
You that you're great
That you're great

You healed leprosy
You walked on the red sea
There is nothing you can't do
For you are my refuge
You destroyed sodom and gomorrah
You said you want us to be free from sin
But we know that you are
A forgiving God

That's why
I'll give you praise Lord
I'll magnify your name
You're the one who died for me
Way back on calvary
And I will give you praise Lord
Forever I will worship you and tell
You that you're great
Lord you're great

I am gonna serve you
I am gonna love you
I am gonna give you the glory
Usted es la persona
Que mi ahorro
Senor usted reine
En la victoria
You're the one who saved me
You reign in victory
I am gonna give you praise Lord

That's why
I'll give you praise Lord
I'll magnify your name
You're the one who died for me
Way back on calvary
And I will give you praise Lord
Forever I will worship you and tell
You that you're great
That you're great

Lord how I love you
Lord I'll give you praise and tell you that you're great
