[Verse 1:]

It's Christmas Time again  
And it's full of surprises  
It's christmas Time again  
Let us see what it comprises

A time to have fun  
There are things to be done  
A time to receive  
There are things to believe

On christmas Day  
It's christmas time

[Verse 2:]

It's christmas time again  
When we talk about Jesus  
It's Christmas Time again  
When we see our visitors

A family reunion  
A great companion  
A time to stop  
And cover up

On christmas day  
It's christmas time

[Bridge:]

We sing silent night  
We say holy night  
All is calm and all is bright

On christmas Day  
It's christmas Time

A time to have fun  
There are things to be done  
A time to receive  
There are things to believe  
A family reunion  
A great companion

A time to stop  
And cover up

On christmas Day  
It's christmas Time (5x)
