[Verse 1:]

We are your people
We are your children
Jesus we'll praise you
You are our father
You are our king
Jesus we'll praise you

[Chorus:]

Jesus we'll praise you
In everything we do we'll praise you
The devil may be there
But you're still Jesus
No matter what we do
We'll praise you

[Verse 2:]

We need you Jesus
So come in please
Jesus we'll praise you
A little further
Wide and deeper
Jesus we'll praise you

[Chorus:]

Jesus we'll praise you
In everything we do we'll praise you
The devil may be there
But you're still Jesus
No matter what we do
We'll praise you

Jesus we'll praise you
In everything we do we'll praise you
The devil may be there
But you're still Jesus
No matter what we do
We'll praise you

[Bridge:]

You gave us breath of our life
You provided our needs

You supplied us Jesus
With everything we need

So now we'll praise you

[Chorus:]
Jesus we'll praise you
In everything we do we'll praise you
The devil may be there
But you're still Jesus
No matter what we do
We'll praise you

Jesus we'll praise you
In everything we do we'll praise you
The devil may be there
But you're still Jesus
No matter what we do
We'll praise you

So in everything we do
We'll praise you
No matter what we do
We'll praise you
No matter what we're going through
We'll praise you
In everything we do
We'll praise you
No matter what we do
We'll praise you
Yeah yeah yeah
We'll praise you
