Oooooh

Just Another Rainy Day
I Know my problems gonna go away
Just another rainy day

Verse 1

This christian life has struggles
This christian life is filled with bubbles
That sometimes knock you down
It's a blessing to have Jesus
Cause he comes with his strength
And turn it all around
One time it's sunny
One time it's rainy
But I know this storm's gonna go away
I ain't gonna let this bring me down
Jesus he's in control

Chorus

Just another rainy day
I know my problems gonna go away
Jesus he's my light and day
He has the power to turn it all away
Just another rainy day

Verse 2

The storms that I usually go through
The tests that I take
Only come to make me grow stronger
(Stronger, stronger)
The battles that I don't fight
The light in me just sends them away
(Away, away)
One time it's sunny
One time it's rainy
But I know this storm's gonna go away
I ain't gonna let this bring me down
Jesus he's in control

Chorus

Just another rainy day

I know my problems gonna go away
Jesus he's my light and day
He has the power to turn it all away
Just another rainy day

Bridge

Yeah, I know this must come in my life
Yeah, I know it has a little strife
Yeah, but I'm protected by my Jesus
Deliverer, my tower and my fortress
Yeah I gotta worship him everyday
Yeah, I gotta bend down on my knees and pray
If I don't this storm's not gonna go away
I gotta please my Jesus
Yeah, in every way
As a christian I must get persecuted
I gotta follow the ways of Jesus Christ
He shed his blood, He died for me
He did it all, way back on calvary
I know it's just another rainy day
I expect these things to come in every single way
But I'm not afraid, no why, no why
I said I'm not afraid,
Why, cause I got Jesus

Just Another rainy day(7x)

Chorus

Just another rainy day
I know my problems gonna go away
Jesus he's my light and day
He has the power to turn it all away
Just another rainy day
