Verse1

Jesus died on the cross
And he went back to heaven
To meet his father
He paid the price for us
And set us free
We have to do his good will
And abide in the true vine
Cause i'm gonna shine my light wherever i go

Chorus

Over the Hills
And over the valleys
Over the mountains too
I'm gonna praise the Lord
Lifting up my voice
Singing Alleluiah
And it's all gonna happen
Over the hills

Verse2

Trust in the lord with all my heart
And i know miracles gonna happen
Depend on him
Put him first in my life
We have to leave our life for him
Pleasing him in everyway
Cause i'm gonna shine my light wherever i go

Chorus

Over the Hills
And over the valleys
Over the mountains too
I'm gonna praise the Lord
Lifting up my voice
Singing Alleluiah
And it's all gonna happen
Over the hills

Bridge

Over the hills i'll go
Making everybody know

They have to put him first
He will quench their thirst
Over the hills
And everywhere i go

Chorus
Over the Hills
And over the valleys
Over the mountains too
I'm gonna praise the Lord
Lifting up my voice
Singing Alleluiah
And it's all gonna happen

Over the Hills
And over the valleys
Over the mountains too
I'm gonna praise the Lord
Lifting up my voice
Singing Alleluiah
And it's all gonna happen
Over the hills
