#### Verse 1

I love the way you walk  
I Love the way you talk  
I Love the way you sing  
I Love the way you bring it to me

The way you talk to me  
The way you made me see  
That you are  
A very great person

You're the one I want  
You're the girl I need  
To help me  
Go along life's blessed journey

I don't want anyone else  
You're the girl for me

#### Chorus

You'll be surprised to know there is  
Poetry in my heart, there is poetry in my heart  
I don't want our love to fall apart  
I'll wait for you no matter what it takes  
Don't want the poetry in my heart  
To go away, poetry in my heart

#### Verse2

Thank God for technology  
The study of psychology  
Everything just made me see  
The girl I wanna be with

When I grow up  
I don't think anything's gonna put a stop  
To our relationship  
And our wonderful companionship

You're the girl I want  
You're the girl I need  
To help me  
Go along life's blessed journey

I don't want anyone else  
You're the girl for me

Chorus

You'll be surprised to know there is  
Poetry in my heart, there is poetry in my heart  
I don't want our love to fall apart  
I'll wait for you no matter what it takes  
Don't want the poetry in my heart  
To go away, poetry in my heart, in my heart, in my  
heart

Bridge

You're the one I wanna be with  
Don't wanna make you the fifth  
Girl in my life, in my life  
Let's wait to hear what the Lord has to say  
For by him we'll know our way  
I've got the feeling of poetry  
In my heart, in my heart

Chorus

You'll be surprised to know there is  
Poetry in my heart, there is poetry in my heart  
I don't want our love to fall apart  
I'll wait for you no matter what it takes  
Don't want the poetry in my heart  
To go away  
You'll be surprised to know there is  
Poetry in my heart, there is poetry in my heart  
I don't want our love to fall apart  
I'll wait for you no matter what it takes  
Don't want the poetry in my heart  
To go away, poetry in my heart
