Verse 1

Mixed up, double minded
Even when I thought, not so amazing
Trying my best, but I keep failing
Lord can you intervene

A lot of questions, open-ended
Unanswered, what's the meaning
One time I grow, one time I stumble
Lord can you contravene

What is keeping me back from living a life
That is pleasing unto you
My desire, My aim, My all
Is to fully worship you

Chorus

I'm sorry Lord for all my mistakes
I'm sorry Lord for my bad habits
Take away the darkness and make me shine for you
I'm sorry Lord for not being different
I'm sorry Lord for my love unfervent
This time I make up my mind to fully worship you
I'm seriously sorry

Verse 2

Committed, but not fully devoted
On fire, but here comes the coldness
An example, but sometimes common
Lord can you set me straight
Now is good, later is messed up
Good yesterday, but today is tied up
My mistakes, so discouraging
Lord can you set me on fire

What is keeping me back from living a life
That is pleasing unto you
My desire, My aim, My all
Is to fully worship you

Chorus

I'm sorry Lord for all my mistakes
I'm sorry Lord for my bad habits
Take away the darkness and make me shine for you
I'm sorry Lord for not being different
I'm sorry Lord for my love unfervent
This time I make up my kind to fully worship you
I'm seriously sorry
Seriously sorry
Seriously sorry
Seriously sorry

I'm sorry Lord for all my mistakes
I'm sorry Lord for my bad habits
Take away the darkness and make me shine for you
I'm sorry Lord for not being different
I'm sorry Lord for my love unfervent
This time I make up my kind to fully worship you

I'm sorry Lord for all my mistakes
I'm sorry Lord for my bad habits
Take away the darkness and make me shine for you
I'm sorry Lord for not being different
I'm sorry Lord for my love unfervent
This time I make up my kind to fully worship you
I'm seriously sorry
Seriously sorry
Seriously sorry
Seriously sorry
