Verse 1

If I Were to think of all the things you did for me
My mind would be in a tired state
If I were to live the way I think is right
Heaven would certainly not be my mate
But now that you saved me
I've got a praise deep inside me

Chorus

I'm not ashamed to give you praise (I got a praise
inside of me)
I'm gonna take it out from the inside
Thinking where I would have been
If I didn't have you
I'm gonna take it out from the inside
And let the whole world know

Verse 2

So many times I get confused
Lonely and troubled
But Lord you were there to comfort me
So many times I wasn't persistent
I felt like giving up
But your spirit came to encourage me
And that praise keeps on building
I need some room to praise you

Chorus

I'm not ashamed to give you praise (I got a praise
inside of me)
I'm gonna take it out from the inside
Thinking where I would have been
If I didn't have you
I'm gonna take it out from the inside
And let the whole world know

Bridge

No need for hiding
You've been so good to me
I can't keep quiet
You've done so much for me

I'm gonna lift my hands
And give you praise
All that it takes
My Hands I'm gonna raise
You took me out
From the darkness filled with mud
I can't keep quiet

Chorus

I'm not ashamed to give you praise (I got a praise
inside of me)
I'm gonna take it out from the inside
Thinking where I would have been
If I didn't have you
I'm gonna take it out from the inside
And let the whole world know

I'm not ashamed to give you praise (I got a praise
inside of me)
I'm gonna take it out from the inside
Thinking where I would have been
If I didn't have you
I'm gonna take it out from the inside
And let the whole world know

If I didn't have you
I'm gonna take it out from the inside
And let the whole world know
