## Verse 1

You'll never leave me  
You'll always be around  
You'll take care of me  
When no one else can't  
To you I can tell my biggest secret  
Cause I know you'll never never snitch on me

When I'm down  
You'll pick me up  
When I'm dry  
You'll fill my cup  
There's no one like you  
You're my best friend  
And our friendship  
Will never come to an end

## Chorus

You're my true friend  
You're my true friend  
There's no one like you  
No one can do the things that you do  
You're my true friend

## Verse 2

Communication  
Morning, noon and night  
That's what we do  
So loving, so caring  
Merciful, you are to me  
When I'm with you  
There's no need to worry  
Cause I know I'll always have your company

When I'm weak  
You'll give me strength  
When I'm down  
You'll comfort me  
There's no one like you  
You're my best friend  
And our friendship

Will never come to an end

Chorus

You're my true friend  
You're my true friend  
There's no one like you  
No one can do the things that you do  
You're my true friend

Bridge

You're my, you're my, you're my, you're my  
True Friend  
You're my, you're my, you're my, you're my  
True Friend  
You're my, you're my, you're my, you're my  
True Friend  
You're my, you're my, you're my,  
True Friend

Chorus

You're my true friend  
You're my true friend  
There's no one like you  
No one can do the things that you do  
You're my true friend

You're my true friend  
You're my true friend  
There's no one like you  
No one can do the things that you do  
You're my true friend
