**Verse 1**

I put my trust in certain people  
But eventually they will fail me  
That's why I put my greatest trust in God  
Cause he'll never leave me nor forsake me  
Every time I'm in a problem  
God is the first one to solve the dispute  
My praise to him cannot go unnoticed  
It has to be more than a wavelength

**Chorus**

I can't do anything without God  
I gotta show my love towards him  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength wavelength

**Verse 2**

When Mr. Lonely and Mr. Frustration comes  
Mr. Jehovah and Mr. Peace will come along  
I know for sure that God will fight my battles  
Cause the truth is it is not mines, it is the Lord's  
When I'm weak and heavy laden  
God will take away my heavy burden  
That's why my praise to him can't go unnoticed  
It must be more than a wavelength

**Chorus**

I can't do anything without God  
I gotta show my love towards him  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength wavelength

**Bridge**

Everybody do the dance  
Everybody raise your hands  
Everybody dance around  
Show the devil that you're not bound

Turn to the left and turn to the right  
Praise Jesus with all your might  
He's your rock and your salvation  
With him there's no frustration (2x)

Chorus

I can't do anything without God  
I gotta show my love towards him  
My praise is more than a wavelength  
My praise is more than a wavelength  
My praise is more than a wavelength  
My praise is more than a wavelength

My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength (wavelength)  
My praise is more than a wavelength wavelength
