"Devotions"

better watch your devotions if you believe in love
potions
this way i may not play
did she kiss you forcibly
and did she freez in her extacy

tell me, baby did she

I've got to know before I leave you, this dedicated love
is vain
and plain insane
for something I never gave you, was I blind, was I
insane

tell me, baby explain

did you need to satisfy something wikid in her eyes
was it magik, was it scary, was it worth the loss of me

baby tell me

did this thing happen often or was it just for a while

tell me was it free

was the ginga the excure to allow her to seduce you
from me
mote it be
her tatoood kisses left a mark, while you were coming
in the dark

tell me what i don't want to see

did you need to satisfy something wikid in her eyes
was it magik, was it scary, was it worth the loss of me

baby tell me
baby tell me

please tell me
lets demistify the lie
please tell me
baby tell me
