You don't come home to me no more  
Your life takes place beyond the door  
And they get all your laughs and smiles  
I'm left with all the tears and frowns  
Oh, but late at night, when you're asleep  
I look at you, and reminisce  
Remembering back to better days when  
I just left you clung to me

Ohhhh..yeah....oh. I...

I'm crying out  
Screaming loud  
All my hopes and fears on deafened ears  
Reachin' out, in the hopes that you are near  
And every day's  
A different pain  
And the hours burn 'cause you're not here  
Powerless  
As your loves it fades away

You don't come home to me no more  
You leave your heart outside the door  
And they get all your loving care  
While I fight for my ever-small share  
Oh, but late at night, when you're asleep  
I look at you, and reminisce  
Remembering back to better days when  
I just left you clung to me

Ohhhh..yeah....oh. I...

I'm crying out  
Screaming loud  
All my hopes and fears on deafened ears  
Reachin' out, in the hopes that you are near  
And every day's  
A different pain  
And the hours burn 'cause you're not here  
Powerless  
As your loves it fades away

Tell me what goes through your mind, oh  
What can make your soul like mine? Oh..  
But you don't love me now  
So get away, stay away  
Or is there nothing left to say?

You don't come home to me no more  
'Cause all you want is outside my door  
So I lie still and pretend to sleep  
But late at night, you softly creep  
My eyes are tired  
I reminisce  
And hold myself as you once did  
As you once did, as you once did  
I hold myself as you once did

Ohhhh..yeah....oh. I...

I'm crying out  
Screaming loud  
All my hopes and fears on deafened ears  
Reachin' out, in the hopes that you are near  
And every day's  
A different pain  
And the hours burn 'cause you're not here  
Powerless  
As your loves it fades away

I'm crying out  
Screaming loud  
All my hopes and fears on deafened ears  
Reachin' out, in the hopes that you are near  
And every day's  
A different pain  
And the hours burn 'cause you're not here  
Powerless  
As your loves it fades away

Mhmm...ohh...

You don't come home to me no more  
Your life takes place beyond the door
