Yeah...ohhh
Mmm..
Da da da da
Yeah...

You're telling me and I lose my sense of self
Your words can shatter me 'til I think I need some help
I can't seem to move on
I don't know where I'd go, 'cause I forgot my way back
home
Yeah

It hurts so good, boy
And my pain sustains me, oh
And I can't ever
Ever leave, boy
Unless you release me

Five month interlude
I think I'm finally free of you
Then your voice in the line
I regress, fall back in time
I wish I could disappear anywhere
Just another year
But when running away
For I'll be back the next day

'Cause it hurts so good, boy
And my pain sustains me, oh
And I can't ever
Ever leave, boy, no, no, no
Unless you release me

I'm turning into that woman, oh
That I swore I'd never be
And folk, they tell me to leave you
As if they know what's best for me, oh
But when I'm not with you
Life is so gray, yeah
And I find myself longing for you to take me away

It hurts so good, boy

And my pain sustains me, oh, oh, oh
And I can't ever
Ever leave, boy, no, no, no
Unless you release me
I said..

It hurts so good, boy
And my pain sustains me, oh, oh
And I can't ever
Ever leave, boy, no, no, no
Unless you release me
Yeah

Said
Please release me
Oh
Hey hey
