Horrible, mama...
Imperfect basin, full of awful bruises, not able-
bodied, if there's no hand then there's no feet either.
Similar scene both then and now, dark room, not even
the "w" of wish is anywhere.

Dark, cry, dark, cry.

So, finally I got a seven-colored Feather, Father, I'm
sorry but I don't want to lose you.
Sacrificing is rather my specialty, what? Is it my little
"bother" or "sister" who's beside me

Sorry my baby, it's my own fault.
Allow me rapping on you.
I've nothing to lose.
Oh, I feel lonely...

Impudent, impudent, my bond with "you", was cut by
that "guy" dressed in white, "Yes, goodbye
Fine, fine, it's what you want, I'm unwanted, even
though I'm all alone I'll achieve throughout my life."

Hey my mother, what are you getting at?
Put a sock in it.
Okay, suit yourself.
I miss you too, mum...
