Ey yo, let's go let's go  
let's go let's go, let's go let's go, let's go  
go let's go  
we've got no time to be down alone.  
See, the world still goes around the crowds a bounce  
dance on the ground.  
Cuz it don't matter if you are gon be gone or not.  
or not  
Now look at the man in the mirror.  
is he a winner? Or just a story teller?  
you are the only one who knows your errors.  
Embrace your memory, accept your history.  
No matter what, let's dive 3,2,1 set, go  
set, go.. set, go.. set, go..

Be Strong  
all for your love  
all for your love  
all for your love

Be Strong  
all for your love  
all for your love  
all for your love

Tho no escapin fate, i'm gon make my own frame  
Ready to face my point of break  
you may've lost everything but you gained many  
things  
like the fact you are standin here  
y'all got no time let's go.  
let's go. let's go. let's go. let's go.

Be Strong  
all for your love  
all for your love  
all for your love

Be Strong  
all for your love  
all for your love  
all for your love
