I'm singin' here to get rid of fear  
Hope it disappears right here with the rain  
But I know life is pain, not like a fairytale  
Meaningless to pray, so just goin' on my way

Tomedonai kono itami to  
Yarikirenai ikari to iradachi  
Bleedin' from my eyes cuz of a pack of lies  
That binds up my mind so that I can't escape

So that I can't escape  
So that I can't escape  
So that I can't escape  
So that I can't escape

Hey GOD, can you feel the pain you give to me?  
Kill me heavenly before I awake  
Why you torture me, just hatin' me?  
Even if it's destiny, I don't run away

I don't run away  
I don't run away  
I don't run away  
I don't run away

Yume mo kibou mo nai endingu no  
Munashii otogibanashi nante dare mo mitaku wa nai  
I don't wanna see, I don't wanna see anymore

Hey GOD, can you feel the pain you give to me?  
Kill me heavenly before I awake  
Why you torture me, just hatin' me?  
Even if it's destiny, I don't run away

I don't run away  
I don't run away  
I don't run away  
I don't run away
