Hi my name is MYV yo wa sup I got a MIC
From Tokyo to rock u all with the bling bling six string
thing

U know it's time to bang
Get u the sound made in zipang
Rock, punk, hip-hop & funk
Bet you guys can't stop the dance

What's my name?

Yellow, blue black & white, borderless party overnight
It's gonna be tight, let's feel the vibe
World peace through good music, right?

I don't care what they may say this is my way
Today's the day to break away

By the way, you guys know my name?
