I'm gonna fight 'em off
A seven nation army couldn't hold me back
They're gonna rip it off Taking their time right behind
my back
And I'm talking to myself at night because I can't forget
Back and forth through my mind behind a cigarette

And the message coming from my eyes it says leave it
alone

Don't want to hear about it every single one's got a
story to tell
Everyone knows about it from the Queen of England to
the hounds of hell
And if I catch it coming back my way I'm gonna serve it
to you
And that ain't what you want to hear, but that's what I'll
do

And the feeling coming from my bones it says find a
home

I'm going to Wichita
Far from this opera forever more
I'm gonna work the straw, make the sweat drip out of
every pore
And I'm bleeding, and I'm bleeding, and I'm bleeding
right before the Lord
All the words are gonna bleed from me and I will think
no more
And the stains coming from my blood tell me go back
home
