Walking out on the shore  
Casting stones at deep blue gazing eyes  
Circles open the door  
Loving faces start to rise  
Sometimes I feel I'm drifting far away  
And I can hear a song from far away  
A song that will be living on and on  
And you're the one I'll sing it to  
Sahara sand in my eyes  
Longing for some rain to wash them clear  
The sun won't give me no smile  
If my love won't bum the fear  
And if it's only a dream  
I don't wanna be a seer of your kind  
If it's reality  
You just keep on dreaming blind  
Sometimes I feel I'm drifting far away  
And I can hear a song from far away  
A song that will be living on and on  
Some day I'm gonna sing it all along
