Desperado

This how I do my ting
Undisputed cinema slum king
I'm dealin' it
No joke 'ting though
Number one a when I step in tha show
Got the cap down low
Strap to the back
Black one-tens and a black rapsack
And now I'ma move all night
Crawl out or
Bad boy down with tha talk

Eh yo
This how I do my ting
Desperado
Eh yo
This how I do my ting
Desperado

See dem girls in the wonder bras
And the sequined bags

And the backside out
Man like me know the true ghetto b's
Who promote the raves and get all the cream
Ya nah mean
That's why I keep on movin'
Make the dough, keep the profile low
??????????
Bandelero desperado

Eh yo
This how I do my ting
Desperado
Eh yo
This how I do my ting
Desperado

This how I do my ting
Desperado

Desperado

Eh yo
