I don't know you as I should, no  
To be here talking, love love  
This may not be what I need, but  
I think I'm way past reasoning

Some say that love unreturned  
Ain't nothing more than a obsession, but  
I believe you're feelin' me, 'cos  
This attraction is just too strong  
You got me in them

Crazy love, love  
I don't know what to do  
But I know that it's true, true  
Crazy love, love  
(Crazy)  
Crazy love

Boy, I know you're holding back, oh  
Your sheepishness is a thin disguise  
You could tell a thousand lies, but  
Hell, I can see it in your eyes

Why're you so afraid of love, did  
Somebody hurt you and break your heart? Well  
Love's a gamble, sometimes lost, but you never give  
in, 'cos  
This time may be your time to win, to miss, it could be

Crazy love, love  
I don't know what you'll do  
But I know that it's true, true  
Crazy love  
(Crazy)

Keeps me up through the night  
You're just there on my mind  
Crazy love, love  
Crazy love, crazy love  
(Crazy)

Boy I get so lonely, need a one and only, please

Don't leave me lonely  
Boy I get so lonely, need a one and only, please  
Don't leave me lonely

Crazy love, love  
I don't know what to do  
But I know that it's true, true  
Crazy love, love  
(Crazy)

Keeps me up through the night  
You're just there on my mind  
Crazy love, love  
(Crazy)  
Crazy love, love, love, love, love, love  
Crazy love  
(Crazy)  
And it's crazy love  
Crazy

Crazy, love, love  
Crazy, over yeah

Crazy, love, love  
(Crazy)  
Crazy, love, love  
Crazy, crazy, crazy, crazy love

Crazy, love, love  
(Crazy)  
Crazy, love, love  
Oh, I'm crazy 'bout you, boy  
Crazy, love, love

Crazy, love, love  
Crazy, love, love
