I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
And I'm wondering why

I'm looking in my mirror thinking  
'bout my situation  
Wishing things could change  
You seem so far away  
Hoping we could be together  
Want this love to re-arrange

You're with her, I'm all alone (all alone)  
Sitting here by the phone (by the phone)  
she's the one you say you love  
Love, why can't you turn your love to me?

I'm wondering why,  
I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why

She is just another of the many different women  
That just didn't treat you right (didn't treat you right)  
But give me all your love  
I can show you something then  
Make you happy every day and night

You're with her, I'm all alone (all alone)  
Sitting here by the phone (Sitting here by the phone)  
she's the one you say you love  
Love, why can't you turn your love to me?

I'm wondering why,

I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why  
I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why  
and I'm wondering why...

I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why  
I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why  
I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why  
I want you  
Can't have you  
Seems so clear  
Your so near  
I want you  
Can't have you  
and I'm wondering why
