(feat. Phoenix CrookedCross & Izzy White)

I keep my money over bitches all the time  
cause this hating ass fools tryin take whats mine  
one time for my people on the block  
and two times cuz the music dont stop

You want to get the green, you want to get the dough  
but when these hoes come, you gotta let them go  
cause man or women, people are str8 bitches always  
so like 2Pac said, we put money over phonies  
lonely homies that used to think they're great  
until they fucked you twice, let em have their own fate  
these motherfuckin liars tryin to get ur cash  
get the green, the mighty dollar and smack em back  
So what I've told you, my homie Phoenix double C  
if you treat em good, motherfuckers become str8 b's  
and even if you tight with yo homeboys  
they just double cross you, they're just some homo  
thugs  
so get the motherfuckin bucks, and never let em see  
you  
hit em with a motocross, and let em know that it's you  
it's a dispute on who we attacking first, Izzy, Phoenix go  
with the double O, M.O.B cuz we don't stop
