Chorus:

Taste my love taste my love  
I'll bring you to the skies and the heavens above  
I promise I'll guarantee my love for you and me

Verse 1:

Taste my lips for it has dew  
Taste my love for it is true  
I'm giving you all of me  
The sweetest of destiny  
My love has no taboo  
Just close your eyes and see what I can do  
One touch and you will find  
I will stick right to your mind

\*Repeat Chorus

Verse 2:

I have a secret desire  
If you look into my eyes you can see the fire  
Wanna love you up  
Wanna love you now  
I wanna make you feel good all over  
Unlock me and you will see  
The best of me because  
Security is what I'm offering  
My heart my soul giving you my everything

\*Repeat Chorus
