I wanna get some  
I gotta get some  
I wanna get  
It's all I needed

I've been a loss but  
I've been a loss but  
I've been a loss  
It's all I need

It's irrational, irrational  
Rohypnol

I wanna ask her  
I gotta ask her  
I wanna ask  
It's all I needed

I've been a loss but  
I've been a loss but  
I've been a loss

It's irrational  
Rohypnol

And in way it's so complicated  
All these dreams spell teenage angst to me  
And in your consequences don't look down  
Its high on Rohypnol

I wanna get some  
I gotta get some  
I've been a loss but  
I've been a ghost but

Yeah, it's irrational, irrational  
It's rohypnol  
It's all I needed

And in way it's so complicated  
All these dreams spell teenage angst to me  
And in your consequences don't look down

Its high on Rohypnol

Yeah, it's irrational and I want it  
Irrational and I want it  
Irrational and I want it  
Irrational and I want it

And in way it's so complicated  
All these dreams spell teenage angst to me  
And in your consequences don't look down  
Its high, go

It's all I needed now
