The system's got too much control
And they don't wanna let it go
I'm a prisoner fighting to be free
I'm breaking out of captivity

Be free, be free
Be free, be free
Be free, be free
Yeah, to be free

Little by little, I'm losing control
As little by little my rights erode
I stop the deputy, now you know
Mama don't try, you see I got to go

Be free, be free
Be free, be free
Be free, be free
To be free

Be free, be free
(Freedom is good for you)
Be free, be free
Be free, be free
(Freedom is good for you)
To be free

The government's got too much control
Now is there some place that we can roll?
The politics of fear and oppression is everywhere now
The law is closing in, just take what you can bring

Be free, be free
Be free, be free
Be free, be free
Yeah, to be free

Be free, be free
(Freedom is good for you)
Be free, be free
(Freedom is good for you)
Be free, be free

(Freedom is good for you)
To be free

The system's got too much control
Now is there some place that we can roll?
I'm a prisoner fighting to be free, the law is closing in
Just take what we can bring
