(Chorus)

(Stephen Marley)

It was written, up in the book of life  
That man shall, endure forever more  
And it was written, up in the book of life  
That man shall, endure forever more

(Damian Marley)

Well did you know the pen is stronger than the knife  
They can kill you once but they can't kill you twice  
Did you know destruction of the flesh is not the ending  
to life fear not of the Anti-Christ  
Did you know that I exist before the earth  
And did you know my eyes are windows to the world  
Did you know you can't go a Zion and a wear jerry curls  
Can't tell the boys from the girls  
Your bodies just a vehicle  
Transporting the soul  
It's what's inside people  
Is beauty to behold  
Fear not of evil  
Every day dem flesh it grow old  
Changes of the time take toll

(Chorus)

(Capleton)

It is told that once this greasy order  
Is form it comes into a young man's world  
And two of dem is like a soldier  
That joins the thunder is a wonder  
One's attack is like a blunder  
One is luckily a stranger  
Dem both was born like Jesus inna manger  
So join the thunder that's savin' our world

(Bridge)

(Damian Marley)

A vester on his chest and rastafari is his name  
A gift of everlasting life for us to all sustain  
Blessing that you all be got

Lessons taught you all forgot  
Rasta call I shit you not  
Do you remember Elijah  
And his chariot of flames  
Same blood that runs through my veins

(Capleton)

(Drag-On)  
Watch for sticks and stones  
Stumbling blocks and piles  
Life is one big road miles on top of miles  
So blessed be the soul that always remains a child  
And most people don't even smile  
There's a natural mystic  
Blowing in through the air  
So keep it realistic and always be aware  
The truth is crying out  
And it's so loud and clear, but most people won't even  
hear  
Spiritual pollution is in the atmosphere  
And with so much confusion can one be happy here  
The gift of Rastafari  
Is for all man to share  
But some would rather to be so unfair

(Chorus)
