Revelation (Revelation)
Revelation (Revelation)
Revelation (Revelation)

Revelation come, world soon done
Wi got to get together, yeh
Revelation come, world soon done
Wi got to get love each other, yeh

Revelation come, world soon done
Wi got to get together, yeh
Revelation come, world soon done
Wi got to get love each other, yeh

You better repent before it's too late, hey
Jah soon shuts the gate
You better repent before it's too late, hey
Jah soon shuts the gate

Revelation come, world soon done, well
Wi got to love each other, yeh
Revelation come, world soon done
Wi got to get love each other, yeh

Jah ain't pickin' no valuable
He's pickin' the good ones, ain't pickin' no valuables
And Jah ain't pickin' no veterans
He's pickin' the good ones, make sure no devil don't
get you down

Revelation come, world soon done
I said wi got to get together, yeh
Revelation come, Babylon soon run
Wi got to get love each other, yeh

(Revelation)
(Revelation)

Oh, mind what you say, mind what you're doing
In this here times
Oh, mind what you say, oh, mind what you're doing

In this here times 'cause

Revelation come, world soon done
Wi got to get together, yeh
Revelation come, world soon done, well
Wi got to get love each other, yeh

And Jah ain't pickin' no valuable
He's pickin' the good ones, ain't pickin' no valuables
(No, no)
And Jah ain't pickin' no veterans
He's pickin' the good ones, make sure no devil don't
get you down

Revelation come, world soon done
I said wi got to get together, yeh
Revelation come, a world soon done
I said wi got to get love each other, yeh

(River, River Jordan) A River, a River, a River, a River
(A River, River Jordan) A River, a River
(River, River Jordan) A River Jordan, a River Jordan
(A River, River Jordan) A River, a River Jordan, yeh

Revelation come, a world soon done
I said wi got to get love each other, yeh
Revelation come, bullet soon run (Revelation), well
We got to, we got to, yeh

A River, a River, a River, a River
A River, a River Jordan, yeh
(River, River Jordan) A River, a River, a River, a River
(A River, River Jordan) A River, A revelation, yeh
Revelation come...come...come...come...
