(Topsy)

Miss. Topsy Dazy yeah, you're topsy turvy

Say, one minute everything seem fine

(Fine, fine)

Topsy Dazy

(Topsy Dazy)

You're topsy turvy

(Topsy turvy)

The next minute, we're in a puss and dog fight

That's not really right, yeah

Seems as the day grow old

Our love grow cold

Remember you've been told

Love can't be bought nor sold

(Remember you've been told)

Topsy Dazy

You're topsy turvy

Say, one minute everything's just right, dynamite

Topsy Dazy

(Topsy Dazy)

You're topsy turvy, you, you, you

(Topsy turvy)

Next minute we're in this great big fight

And that ain't my style of life

When everything seem secure

I can't just be too sure

'Cause you can wake up one day

Not in love anymore

(Remember you've been told)

Yeah, remember you've been told

Love can't be bought nor sold

Seems as the days grow old

Our love grow cold

(Remember you've been told)

Topsy Dazy, topsy turvy

Sayin', one minute everything seem right

Tipsy Dazy

(Tipsy Dazy)

You're topsy turvy, yeah baby

(Topsy turvy)

Next minute, we're in this great big fight

That's not really right

Once more, can't say, you've never been told

Love can't be bought nor sold

But it seems as when days grow old

Our heat grow cold

Tipsy Dazy

(Tipsy Dazy)

You're topsy turvy

(Topsy turvy)

One minute everything's just fine, really divine

Tipsy Dazy

(Tipsy Dazy)

You're really turvy

(Topsy turvy)

Next, next minute, next minute, next minute, yeah

Tipsy Dazy

(Tipsy, Tipsy Dazy)

Topsy turvy

(Topsy, really turvy)

(One minute we're in a great big fight)
