Life has come a long way since yesterday, I say
And it's not the same old thing over again, I say
Just do what you feel and don't you fool yourself, I say
'Cause I can't make you happy unless I am, I say, I say,
I

Got to be true to myself, got to be true to myself
Got to be true to myself, got to be true to myself

Day in, day out I've asked many questions, I say
Only to find the truth, it never changes, I say
If you don't deal with it, it keeps killing you a little by
little, I say
Call me selfish if you will, my life I alone can live, I say,
I say, I

Got to be true to myself, got to be true to myself in a
way now
Got to be true to myself, got to be true to myself

I don't care if it hurts, I'm tired of lies and all these
games
I've reached a point in life, aye no longer can I be this
way
Don't come crying to me, I too have shed my share of
tears
I'm moving on, yes I'm grooving on, aye well I'm finally
free

I've got to be true to myself, got to be true to myself in
a way y'all
Got to be true to myself, got to be true to myself, c'mon
now

Got to be true, got to be true, got to be true to myself in
a way y'all
Got to be true, got to be true, got to be true to myself
