Dem try fi hold, hold wha dem can't conquer  
Rastaman no mix up with no vagavanga  
Dem try fi hold, hold wha dem can't conquer  
Rastaman no mix up with no vagavanga

They want to condemn the innocent  
For crimes which we did not commit  
They want to get good people mix up  
In their bag of tricks

But water and oil can't mix  
Water and oil don't mix  
Water and oil can't mix  
Water and oil don't mix

Say, dem try fi hold, hold wha dem can't conquer  
Rastaman no mix up with no vagavanga  
Say, dem try fi hold, hold wha dem can't conquer  
Rastaman no mix up with no vagavanga

Hear this, nah go like the son if you no like the father  
True we manifest under the same order  
Cock your ears and listen me want you hear ya part ya  
But first come in papa Ziggy as the eldest brother

Yes I hear the lies they've told  
Dem says Rasta did this and this  
What is the politician role  
Is it to create conflicts

But water and oil can't mix  
Water and oil don't mix  
Water and oil can't mix, no  
Water and oil don't mix

Jah who I praise break Your silence  
Now that the wicked is accusing  
Attacking for no reason  
All we did was pray for them

Now the way things happen fast  
Some things me nah go member

But the day did cool, cool and collective Iya  
Next thing me know some unwanted visitors  
Some devil worshipping Rasta hating cold blooded  
murdera  
Never get wha dem expect dem expect lamb fi  
slaughter

Hear this, this is Ragamuffin and him hitting harder  
We get up from weh we sit down to a strategic corner  
Men and the bwoy dem eye mek four me mek a  
nervous swallow  
Prip around from left to right me look pon all me  
brother  
Hold me head to the sky and make a final prayer

Zoom, zoom, and everything take cover  
Look how fast lightning rod back out in all a dem face  
Quick, me back out me no member wha it name  
Them never know the youth them would not lose them  
faith  
Through the grace of the Father everything set straight

But water and oil can't mix, no  
Water and oil don't mix  
Water and oil can't mix, no  
Water and oil don't mix

Water and oil can't mix
