Tired of dis miserable life
Tired of de worries and de problems and de strife
Tired of de things well dey nah going to right... Whoy!
Tired of dis miserable life, ah dis miserable

Well you know award me ah word
Every night me ah kneel and me pray pray
Ask God to guide and protect me
Lead de Ziggy dem pun de right way way
But everything ah just fumble and crumble
Everything ah just stumble upon Lord
I don't know where I am going to turn now
Oh Lord please answer my call

Cause me...

[CHORUS]

Tired of dis miserable life
Tired of de worries and de problems and de strife
Tired of de things when dey nah going too right
Tired of dis miserable, ah dis miserable
Tired of dis miserable life
Tired of de worries and de problems and de strife
Tired of de things when dey nah going too right
Whoy! Tired of dis miserable, ah dis miserable

Bill collectors dem cyar stop chase me
Like a tief me jump over a fence well
De judge and jury dem find I guilty
They tell me that I have no defence whoy
Ah don't know when it's going to be over
Dis straight and narrow road I choose
How do I know the righteous road is long
See sometimes I sing de blues

Cause me...

[CHORUS]

A lot of people use and abuse me
For what little talent I got well
Tell me why are some people so shady

Always promising things they have not well
Meh lady tell me she tired ah waiting
And she just cyar wait it no more
Now me woman she gone and she left me
Never felt so lonely before

Now me...

[CHORUS]

Cyar stop from praise de Almighty
Cause you know that He cyar stop care care
My Lord will never forsake me
He never give you more than you can bear bear
Thru my trials and my tribulations
Sometimes I feel like I am losing the race
But I know one day He will uplift me
I am so longing to see those days

Cause me...

[CHORUS]
