Zion baby!

[Chorus]  
I love the way she moves  
I see the way she's coming  
I wanna rock her body  
I know she's waiting for me  
[x2]

[Zion]  
She's like Shakira belly dancing on the grammy awards  
Like Beyonce clappin her booty in the MTV show  
She's so amazing  
She drives me crazy

Baila baila mamita que te quiero ver  
Rompiendo la pista abusadura  
Eres bien tentadora  
De todas la mas seductora[x2]

[Chorus]  
I love the way she moves  
I see the way she's coming  
I wanna rock her body  
I know she's waiting for me  
[x2]

[Zion]  
For me it's so tempting that I can't deny  
For us to be together side by side  
La noche esta bueno para experimentar  
'cause me n you together sin parar

[Akon]  
Ohhhh  
Excuse me Zion don't mean to interrupt you  
But she's fire the way her body jiggling in her attire  
Dropping it down low while she bring it up higher  
While we singing our

[Chorus]

I love the way she moves  
I see the way she's coming  
I wanna rock her body  
I know she's waiting for me  
[x2]

[Akon]  
Shorty so sexy I wanna take you to my crib

[Zion]  
Excuse me 'Kon let me help you out  
She don't speak no English

[Akon]  
Ella se ve de lo mas bien quiero sacarte de aqui  
Por si no lo sabias esta noche your gonna end up wit  
me  
Then I can just ride you, you know slip and slide you  
Flip you over good loving is what I can provide you  
If you don't want it then walk away 'cause it's your right  
to  
But I wanna show you to the world never hide you  
'cause your the most beautifullest thing I ever seen  
And you got the potential to blow me up like gasoline  
Girl I'm trying to be patient  
Trying to be a gentleman  
Can't you see what you doing to me  
Girl

[Chorus]  
I love the way she moves  
I see the way she's coming  
I wanna rock her body  
I know she's waiting for me  
[x2]
