[Verse 1]

It wasn't meant to be like this  
I've been tryna wrap my head around it, in fact  
It happened in a split second  
Nothing I can do

I didn't mean to feel like this (I didn't mean to)  
I'm standing here, I can't resist, too far  
I didn't mean to crash like I did  
Crash right into you

[Chorus]

But accidents happen, somebody call 9-1-1  
Accidents happen, situation's critical  
Accidents happen, an accidental miracle  
Accidents happen, oh whoa

Head on, you hit me hard  
Keep crashing into my heart  
Head on, you hit me hard  
Keep crashing (oh whoa) into my heart

Accidents happen, oh whoa

[Verse 2]

I don't know how it got like this (I don't know)  
I can't recall the chain of events, I can't  
But now it's like you're stuck in my head  
I don't want you out, don't want you

I didn't mean to feel like this  
I'm standing here, I can't resist, too far  
I didn't mean to crash like I did  
Crash right into you

[Chorus]

But accidents happen, somebody call 9-1-1  
Accidents happen, situation's critical  
Accidents happen, an accidental miracle  
Accidents happen, oh whoa

Head on, you hit me hard  
Keep crashing into my heart  
Head on, you hit me hard  
Keep crashing into my heart

Into my heart  
Into my, into my, into my heart  
Yeah-ye-ye-ye-ye-ye-ye

I didn't mean, I didn't mean to  
I didn't mean to, I didn't mean to, oh whoa  
I didn't mean to, I didn't mean to, oh whoa  
I didn't mean to

[Chorus]  
But accidents happen, somebody call 9-1-1  
Accidents happen, situation's critical  
Accidents happen, an accidental miracle  
Accidents happen, oh whoa
