Zodiac to houston, do you read over?
this is mission control, we read you loud and clear.
over..

You got a mission baby!

I have a mission
to make you miiiiiiiiiiiiiiiiine
you got a mission, i got a mission
tell me baby baby baby whats a mission?
i have a mission to make you miiiine
look up in the sky you can see it if you tryyy. Zodiac!
Zodiac!

look at the moon and the stars,
look at the moon and the stars,
look at the moon and the stars,
look at the moon and the stars,

i have a mission...
i have i
i
i
i this is mission control, we read you loud and clear
i have a mission to make you miiiine,
look up at the sky if you can see it if you trrryy

look at the moon and the stars,
look at the moon and the stars,
look at the moon and the stars,
look at the moon and the stars,

mission from the stars, zodiac gonna set you free
from the stars universe, mission one two three
mission one two three
mission one two three

you got a mission baby!
look at the moon and the stars
in the sky,
shine so bright my baby,
the feeling i get when i look,

in your eyes
its so right my baby!

look at the moon and the stars
look at the moon and the stars
look at the moon and the stars
look at the moon and the stars
look at the moon and the stars
look at the moon and the stars
look at the moon and the stars
look at the moon and the stars

mission is complete!
