"The moment i wake up
before i put on my make-up
i say a little prayer for you.
While i'm coming my hair now
and wondering what threads to wear now
i say a little prayer for you.
Forever and ever, you'll stay in my heart and i will love
you.
Forever, ever, oooooohhhh how i love you.
Together, together to live without you
would only mean heartbreak for me, nobody but me.
My darling believe me, For me there is noone but you
please love me too
say i'm in love with yooouu.
Answer my prayer now baby
say you love me too"
