I'll be your satellite, shining bright  
Like a movie from LA  
And if you play it right you can fly my kite  
And we'll be blown away

This ain't no silly fling, got that freaky thang  
Wanna have some lovin' with you  
You gotta make a stand for every man  
And here's what you're gonna do

Ooo you gotta mix it up and make it happen..  
Yeah, yeah, yeah, yeah

I'm (I'm) coming alive, coming alive  
When you treat me like a lady  
I'm (I'm) coming alive (coming alive)  
Feeling inside (feeling inside)  
When you treat me like a lady

Doin' the things that I know you like  
Come over, come over, come over tonight  
(Treat me like a lady)  
Doin' the things that I know you like  
Come over, come over, come over tonight

You know you lift me up as we get on down  
Ooo you let me lead the way  
I'll be your lady luck if you stay around  
Don't you ever go astray

So now you're caught in a trap and there's no turning  
back  
You've got nothing to lose  
I get a love attack, can you deal with that  
Come on and baby light my fuse

Ooo you gotta mix it up and make it happen..  
Yeah, yeah, yeah, yeah

I'm (I'm) coming alive, coming alive  
When you treat me like a lady  
I'm (I'm) coming alive (coming alive)

Feeling inside (feeling inside)  
When you treat me like a lady

Doin' the things that I know you like  
Come over, come over, come over tonight  
(Treat me like a lady)  
Doin' the things that I know you like  
Come over, come over, come over tonight

Treat me right, we can dance all night  
Fill me with your energy, do it right (do it right)  
Don't need no light, got a x-ray site  
You will be my alibi, do it right

Ooo you gotta mix it up and make it happen..  
Yeah, yeah, yeah, yeah (ohhhhhh, yeah!)

(Wooh!) I'm coming alive, coming alive (oooohoo)  
When you treat me like a lady  
I'm coming, feeling inside  
When you treat me like a lady

Doin' the things that I know you like  
Come over, come over, come over tonight  
(Treat me, treat me)  
Doin' the things that I know you like  
Come over, come over, come over tonight

I'm coming, coming alive..  
I'm coming, coming alive..  
I'm coming, coming alive..  
(When you treat me like a lady)  
I'm coming, coming alive..  
I'm coming, coming alive (feeling inside)  
When you treat me like a lady
