

## Mnemonic "Pigfuck"

Wrap your clod blooded  
Arms around my back  
Embrace this body  
Like I'm the one  
Like I'm the one  
Your words crawl beneath my skin  
Layer by layer piercing me within  
Piercing me within  
Piercing me within  
Piercing me within  
Piercing me within  
Scraping my walls  
Truthfully exploding within my heart  
Your mouth covered in filth  
Of a thousand eyes  
That kept watching you dissipate  
The liquid from their minds  
The liquid from their minds  
Pigfuck  
Pigfuck  
Memories burning in my mind  
In my mind  
I don't want to remember  
To remember  
Remember  
Memories burning in my mind  
In my mind  
I don't want to remember  
I don't want to remember  
Look into your soul  
And you will know  
Within this blackened heart  
The worms make you the one  
Strip them, shave and suck  
I am no longer able to interact  
Unable to interact  
Unable to interact  
Unable to interact  
Memories deleted from  
My memory storage  
Memories burning in my mind  
In my mind

I don't want to remember  
To remember  
Remember  
Memories burning in my mind  
In my mind  
I don't want to remember  
To remember  
Remember  
To remember  
Pigfuck
