Hello Mr. Richway
Welcome to the Sunset Hotel
Thank you
I'll fuckin' rape and kill a girl to quote myself
Needles to say that this is a habit
"I take it 'cuz I can't have it"

The bloody moves to grooves
That are the dance of death
Skin to barbed wire in a final breath
I made the mistakes I couldn't afford to make
Hell, they even knocked on my door
Because they found a girl dead in a lake

They won't catch me again
I've grown beyond my time and now
I moved beyond recognition
I clearly lost count, an escalation of schism
Still not sure why I do this
An overwhelming urge to reach a state of bliss?

I got it all pinned down
And the hammer hit the nail
But I can't let them live
It's all to late for me
It's all to late for me
I hear them begging me
But I can't let them live
I can't let them live

Spill the blood and hide the bodies
Dead girls don't tell of my done deeds
Hell, they'll do it for money
I'll do them for free
I'm Mr. Richway
"Don't give a fuck what the bitch say"

I told you I got it all pinned down
And now the hammer hit the nail
But I can't let them live
It's all to late for me
It's all to late for me

I hear them begging me
But I can't let them live
