Wild boys, wild boys, wild boys

The wild boys are calling
On there way back from the fire
In August moon's surrender
To a dust cloud on the rise

Wild boys fallen far from glory
Reckless and so hungered
On the razors edge you trail
Because there's murder
By the roadside in a sore
Afraid new world

They tried to break us
Looks like they'll try again

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes
Wild boys always shine

You got sirens for their welcome
There's bloodstain for your pain
And your telephone been ringing
While you're dancing in the rain

Wild boys wonder where is glory
Where is all you angels
Now the figureheads have fell
And lovers war with arrows
Over secrets they could tell

They tried to tame you
Looks like they'll try again

Wild boys never lose it
Wild boys never chose this way
Wild boys, never close your eyes
Wild boys always shine
