I'm a zombie all alone
Sitting in a bar
Some guy comes along
And he pushes me too far

But just around the corner
The gang comes to my side
Cutthroats at the ready
Chains about to fly
We're gonna fight

We're gonna fight to the beat
Rumble in the street
Dead cats on the prowl tonight
We're gonna fight to the beat
Rumble in the street
Dead cats on the prowl tonight
Tonight

Cutthroats at the ready
Chains about to fly
You're gonna bleed
You're gonna scream
You're gonna fuckin' die

Today won't be your day
And the fear won't go away

Better look the other way
Dead cats fight tonight
We're gonna fight

We're gonna fight to the beat
Rumble in the street
Dead cats on the prowl tonight
We're gonna fight to the beat
Rumble in the streets
Dead cats on the prowl tonight
Tonight

Kickin' heads and smashin' teeth
Is what the dead cats do

Don't take shit from anyone
So join the wrecking crew

Rage inside will twist inside
Fists up to the sky
We're gonna fight

We're gonna fight to the beat
Rumble in the street
Dead cats on the prowl tonight
We're gonna fight to the beat
Rumble in the street
Dead cats on the prowl tonight
Tonight
Tonight
