Brains...

The blood is flowing in you,
The blood is rushing through your veins.
Bound in flesh, wrapped in skin
What you feel is not a sin

No need to fight this
You're on the other side now
No need to fear this
Come on now follow me
Just come with me

Love me
Hate me
Feel me
Taste me

Love me
Hate me
Feed me
Feed me

Blood, brains and rock 'n' roll
Blood brains, and rock an roll.

You flesh is burning with desire,
Soon you'll feel what I can feel.
Let the urge caress your soul
It's time to lose control.

No need to fight this
You're on the other side now
No need to fear this
Come on now follow me
Just come with me

Love me
Hate me
Feel me
Taste me

Love me
Hate me
Feed me
Feed me
