An empty street, an empty house  
I hole inside my heart  
I'm all alone, the rooms are getting smaller.  
I wonder how, I wonder why, I wonder where they are  
The days we had, the songs we sang together.(oh  
yeah)

And all my love, I'm holding on forever  
Reaching for the love that seems soo far

[Chorus:]

So I say a little prayer  
And hope my dreams will take me there  
Where the skies are blue, to see you once again... my  
love.  
All the seas from coast to coast  
Find the place I love the most  
Where the fields are green, to see you once again... my  
love.

I try to read, I go to work  
I'm laughing with my friends  
But I can't stop to keep myself from thinking. (oh no)  
I wonder how, I wonder why, I wonder where they are  
The days we had, the songs we sang together.(oh  
yeah)

And all my love, I'm holding on forever  
Reaching for the love that seems so far

So I say a little prayer  
And hope my dreams will take me there  
Where the skies are blue, to see you once again... my  
love.  
All the seas from coast to coast  
Find the place I love the most  
Where the fields are green, to see you once again...

To hold you in my arms  
To promise you my love  
To tell you from the heart

You're all I'm thinking of

Reaching for the love that seems so far

So I say a little prayer

And hope my dreams will take its there

Where the skies are blue, to see you once again... my  
love.

All the seas from coast to coast

Find the place I love the most

Where the fields are green, to see you once again... my  
love.

Say it in a prayer (my sweet love)

Dreams will take it there

Where the skies are blue (woah yeah), to see you once  
again my love. (oh my love)

All the seas from coast to coast

Find the place I love the most

Where the fields are green, to see you once again....

My Love.
