Dare mo ga namida mune ni (mune ni)
Nakushita ano hi motome (motome)
Kurai mado ni ame kirameku machi tobikoe yukitai
Everyone has tears in their heart (in their heart)
Seeking that lost day (seeking)
Rain, on a darkened window - I want to fly over and
beyond the sparkling city

Angel heart, so many hurt, kiss me sunlights
Fly to dark, set soul free, hold me moonshine
Until my rumbled hands lead to the end of night (end
of night)
Find me in your eyes...
Angel heart, so many hurt, kiss me sunlights
Fly to dark, set soul free, hold me moonshine
Until my rumbled hands lead to the end of night (end
of night)
Find me in your eyes...

Hoshi furu yoru ni hitori (hitori)
Kakenukeru yume mitsume (mitsume)
Mirai inori ima yoriso sora takami ni tobitai
Alone in the night, stars raining down (alone)
Gazing on a dream of escape (gazing)
The future, a prayer, the present - pull close to the sky,
I want to fly high

Fantasia, tempesta, it's my odyssey
Go higher, and wonder heart of labyrinth
Until I feel new dawn bloom on the silent sea
Sing for me your song...
Angel heart, so many hurt, kiss me sunlights
Fly to dark, set soul free, hold me moonshine
Until my rumbled hands lead to the end of night (end
of night)
Find me in your eyes...
Air l'amour
Air l'amour
Air l'amour
Fantasia, tempesta, it's my odyssey
Go higher, and wonder heart of labyrinth
Until I feel new dawn bloom on the silent sea

Sing for me your song...
Angel heart, so many hurt, kiss me sunlights
Fly to dark, set soul free, hold me moonshine
Until my rumbled hands lead to the end of night (end
of night)
Find me in your eyes...
Air l'amour
Air l'amour
Air l'amour
