What is home?

Pack your possessions and leave us alone  
Forget your colour and creed  
Your sexuality embarrassed us all  
Take off your Asian tag and hit the road  
The word is why I need a God  
I need a God to impress  
Get off my soul  
So many nerds have we found them all  
C-a-f-f-e-i-n-e  
Caffeine  
Caffeine  
I don't want to find a new home

They would prefer it if you lived off drugs  
It's not a curable disease  
Your sexuality confounded their world  
Take off you Asian tag and hit the road  
The word is why I need a God  
I need a God to impress  
Get off my soul  
So many nerds have we found them all

I don't know why I need a God  
I need a God to impress  
Confused my soul  
So many words do we need them all
